Physician Assistant - Fulltime

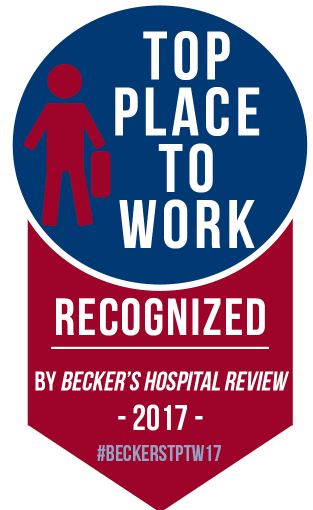

Company: Connally Memorial Medical Center

Location: Floresville, TX 78114

Category: Medical Staff

Posted: August 15th, 2017

Deadline: Open until filled

Description & Requirement

Provides primary health care and performs selective medical services under the direction of clinic physicians. Responsible for diagnostic and therapeutic management of patients by completing medical histories, conducting physicals, establishing diagnosis through tests, and formulating treatment plans. Provides follow-up and health maintenance care of patients in accordance with protocols approved by a physician.

Education: Successful Completion of an educational program for physician assistants or surgeon assistants accredited by the Commission on Accreditation of Allied Health Education Programs, or by that committee's predecessor or successor entities is required.

Licensure/Certification : Certification by the National Commission on Certification of Physician Assistants is recommended. Must be currently licensed as a Physician Assistant in the State of Texas. Must maintain current AHA BLS or higher in accordance with Medical-Dental Staff and UMA bylaws. Providers practicing in acute care environment must obtain AHA ACLS certification or advanced specialty equivalent as defined by the UMA Credentials Committee within 90 days of hire. Prescriptive authority is required. Valid DEA number must be obtained within 90-days of hire.
