FOR IMMEDIATE RELEASE

RESPONSE TO SUTHERLAND SPRINGS, TX CHURCH SHOOTING

Floresville, TX....Connally Memorial Medical Center is a level IV trauma center located approximately 15 miles from the church in Sutherland Springs, TX. The hospital received 8 patients today with gunshot wounds from the church. Four of the patients were transferred to University Hospital in San Antonio for higher level of care. One of those patients was in critical condition and had to be air-lifted. Three patients were treated and released and 1 patient remains in stable condition at Connally Memorial Medical Center.

Jeremy Riney, CEO, extends his heartfelt condolences to the victims and their families of this mass shooting and the hospital's thoughts and prayers are with them. He would also like to recognize the dedicated physicians, nurses, and team members at CMMC for their outstanding response and the compassionate care provided to the victims and their family members. Thank you also for the outpouring of support CMMC received from our community and surrounding areas.
