Company: Connally Memorial Medical Center

Location: Floresville, TX 78114

Category: Connally Clinics

Posted: May 2, 2017

Deadline: Open until filled

Description & Requirement

The Staff Accountant for Connally Memorial Medical Center will be responsible for directing, reviewing and evaluating the work of the reimbursement, budget, and cost accounting of the clinic system. Will also assist the CMMC Controller, CFO and other administrators/department managers in matters related to budget, reimbursement, cost accounting, managed care contracting and financial operations of the clinic system. This position will support other areas of the medical center as needed.

Interacts with clinic management staff in developing and implementing the Clinic's strategic plan and its financial planning component. Knowledge of the principles of financial management sufficient to direct professional staff and coordinate all aspects involved with fiscal requirements of clinic. Knowledge of physician clinic financial and budgetary practices to develop annual budget, analyze financial data and patterns, and prepare financial statements is required. Skill in evaluating clinic operations as they relate to policies, goals and objectives, costs, and rate levels highly desired.

Bachelor's degree (B.A.) from a four-year college or university; BS in Accounting, finance or business administration preferred.

A minimum of eight to four years of accounting experience in the healthcare field, with at least two years in the third party reimbursement field preferred. Proficiency in Excel required.
