MEMORIAL
MEDICAL ★ CENTER

Tech, Pool, Emergency Department

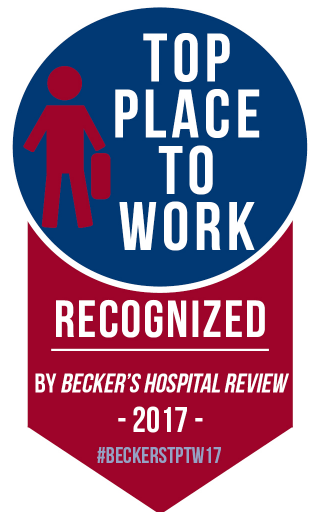

Company: Connally Memorial Medical Center

Location: Floresville, TX 78114

Category: Emergency Department

Posted: September 28, 2017

Deadline: Open until filled

Description & Requirement

Coordinates the activities of the nursing staff, the patient, the physician, other hospital departments and visitors through communication, requisitioning and management of supplies and equipment. Works hands-on with the patient and may include taking and monitoring vital signs like blood pressure, pulse and temperature, collecting blood, urine, saliva and stool samples for laboratory analysis. Also responsible for cleaning, prepping and suturing wounds, fitting patients for casts, crutches, and other devices; provides instruments to doctors and nurses as they perform procedures on patients. Assists with the safe movement of patients, such as from hospital bed to wheelchair, when necessary.

Requirements: One year certificate from college or technical school; or three to six months related experience and/or training; or equivalent combination of education and experience.

Interested candidates should email us at hr@connallymmc.org, and request an application be sent to you, or apply online at www.connallymmc.org, and click on Find a Job.
