Systems Administrator I - Fulltime

Company: Connally Memorial Medical Center

Location: Floresville, TX 78114

Category: HIT

Posted: October 16, 2018

Deadline: Open until filled

Description & Requirement

The System Administrator I will report directly to the IS Manager. The successful candidate will be directly responsible for the structure and implementation of workstations, network printers, servers and switches. The above duties will include providing assistance to managers, physicians, staff and other business partners in the maintenance of information systems and assist in the implementation of new technologies that support the hospital's strategic plan. Telecommunication support, maintenance and troubleshooting of systems is also a requirement. Must be able to be on call. Additional duties assigned as necessary.

3+ years of network IT experience required. The candidate must be able to be on call. EMR / Meditech Client Server experience preferred.

Interested candidates should email us at hr@connallymmc.org, and request an application be sent to you, or apply online at www.connallymmc.org, and click on Find a Job.
